

## **MAJOR CONTRIBUTORS**

Athletes and their physicians seeking Therapeutic Use Exemptions (TUE) for the use of prohibited substances deserve the best advice available.

The WADA TUE Expert Group thanks clinicians for their contribution to the development of the WADA Medical Information to Support the Decisions of TUE Committees. Their collaboration has enabled WADA TUE Working Group members to provide an expert contemporary opinion for which they are most grateful.

**Dr. Len Adler**

Professor, Department of Psychiatry,  
Professor, Department of Child and Adolescent Psychiatry,  
Director, Adult ADHD Program  
NYU Langone Medical Center  
New York, NY  
USA
